

Short Course: **Investigating Place with Psychogeography** **Certificate of Completion**

Investigating Place with Psychogeography

Student name	Mark Stothard	May 2023
Tutor name	Andrew Conroy	
Degree pathway	CPD-accredited short course	

Overall Comment

It was really good to see your final piece of work, Mark, which is observant, engaging, accomplished and a lovely way to sign off on *IPP*. You're clearly full of ideas and motivation and bring much to the table, and I'm very keen to see how things develop for you in the future. Best of luck, and please do stay in touch. **AC**
